

AVIS Car Hire – Additional Information

Our Avis Car Hire Rentals Include Zero Excess and One Additional Driver

Please note the following.

Super Collision Damage Waiver (SCDW)

Is included in the rental price, the inclusion of SCDW brings an otherwise hefty excess down to zero. Please note that the SCDW does not typically cover damage to roof, windows, undercarriage, tyres (you may be able to purchase protection for these items, for a small fee, at the rental desk). SCDW does not apply if you are negligent under applicable laws.

Super Theft Protection

Is included in the rental price and provides full cover should your hire vehicle be stolen during the rental period.

Breakdown cover

Standard breakdown, not due to negligence is included.

Additional Driver

The first additional driver is provided free of charge.

Fuel Charges

The fuel policy is like for like (usually a full tank). This means that you will need to return the vehicle with the same amount of fuel which the vehicle had in the tank when you picked it up. We recommend refuelling as close to the airport as possible and keep the receipt in case Avis need to see it.

Refundable Deposit

When you collect the vehicle, you will need to pay a refundable deposit. This is usually about €200. This is usually taken from your **credit card** as a pre-authorisation at the car hire desk, and will be refunded/cancelled once you have returned the vehicle.

Fines

If you are unlucky enough to get a fine, such as a speeding fine, and it is sent to AVIS, they will charge you an administration fee of up to €42

Child Seats

Please advise us in advance if you would like a child seat with your rental. These are always payable at the rental desk when collecting your vehicle. Please note that for insurance purposes car hire employees are not allowable to fit the seat for you, and as such you will need to do this.

Baby Seat	Birth to 12 months	up to 13kg
Infant Seat	9 months to 4 years	9kg – 18kg
Child Seat	4 years to 11 years	15kg – 36kg
Booster Seat	8 years to 12 years	20kg – 45kg

Generally, if your child is under 135cm tall, they should be in a child seat.
